

Event Team Leader

Description

As the event team leader you will be responsible for

- Understanding the importance of the **Energize** spiritual waypoint
- Creating an event that will connect the students of our community with our local church
- Promoting this event to the community using the budget
- Being aware of other church/school/area functions that may interfere with possible date
- Keeping track of all money, receipts and financial data regarding events
- Organizing and leading helpers to complete these tasks
- Keeping Pastor Brian in the loop at all times

Goal

Connect Jr/Sr High students of any spiritual, social or racial background with our local church community.

Vision

By the end of May, 2012 we would see 50 students attend an event and see 90% of those students move to the **Encounter** spiritual waypoint for four weeks after.

Budget

\$400/school year

Schedule

Three events, one every three months: September, December and March
