- Understanding the importance of the **Express** spiritual waypoint
- Being imaginative with our environment
- Developing a checklist system for cleaning The Barn every week
- Organizing and leading helpers to complete these tasks

- Keeping Pastor Brian in the loop at all times

Goal

Provide an environment that is

1. welcoming
2. safe
3. clean
4. warm
5. fun

Vision

By the end of May, 2012 we would see a regular system for keeping The Barn clean. Every new student and parent who comes to The Barn would feel welcomed, safe, that they were in a clean and trustworthy environment, warm and would feel that The Barn is fun.

Budget

Cleaning supplies - \$100/yr

General Atmosphere - \$75/yr

Schedule

First Impressions requires a great deal of behind the scenes work, this being the case, the FI Team Leader will be required to attend the Tuesday Night **Express** spiritual waypoint. The FI Team Leader does not have to attend all Wednesday Night services but needs to come to some to know how the environment works. The FI Team leader is *strongly* encouraged to attend Wednesdays.
