

The Game Guru

Description

As the game leader you will be responsible for

- creating games inclusive of all Barn ages
- creating games for hang out time
- creating/leading games at 6:30p for all to participate in
- working with the First Impressions team/Frontline team in thinking of what games to have available for people
- being aware of the weather and having a backup plan in case of change
- having your game clearly communicated upon arrival to Wednesday Night or before
- you will be the leader of the game
- the lead on video games, seating for video games and purchasing new games

Goal

Increase group interaction, foster a positive, fun environment for all ages represented at The Barn and get some energy flowing.

Vision

Every week students would be excited about what game we are playing next and talk about it at school with their friends.

Budget

Per need basis. Keep costs down if possible. We will use the "ministry - other" budget item which contains \$150/year.

Schedule

Wednesday Nights
